STALINGRAD OBLAST MEDICAL PERSONNEL READY FOR SPRING PLANTING

Medical workers of Stalingrad Oblast are preparing to give all field hands good medical service during the coming spring planting season. Mass physical examinations and antimalaria castations are being conducted in vital areas. Cases of purulent trauma a ag the mechanics are being brought under control by the oblast public health workers. This year, the medical units assigned to motor tractor stations will be equipped with four-cot trailers, and will accompany tractor mechanics into the field.
